From our Team to You
Welcome to the Family!

February 2023

On The Fly Introduction Continued By EWMA Founder and President Bruce Beeman

The International Team, Anita, JR, Barb & I hope your Christmas and New Year were filled with peace, joy & happiness and that your families travels to and from were safe.

2023 WOW, we have come along with since the middle of July 2022. Our association continues to grow in Membership, Chapters and Districts. Our Regions have their staff in place and we are all planning events for this New Year. Make sure you check out the ewma-world.org website for all the District, Region and International events and dates. It will be a full calendar of things to choose from. I can assure you there's something for you to

do that will involve riding, socializing with some safety thrown into it, so come join in on the fun.

Communication is the key to our success, so it's very important that we hear from you, the Members, the Chapters, the Districts and the Regions so we know that your wants are met.

But it's just as important that our information reaches ALL Regions, Districts, Chapters and Members because an informed group is a growing group and in most cases a happier group.

Hang on it's going to be a fast moving year with a ton of work, but most of all FUN.

Anita and Bruce are pleased to announce new additions to our Team!

Greetings from Canada! By Chantal and Francois Seguin, VP Of Operations

2022 -2023 a start to an
amazing adventure.

We are happy to be able to join
this wonderful team as VP of
Operations Canada.

We all make decisions every day;
some good, some misguided.
But joining with EWMA is a very
good one.

We have already had allot of fun
and cannot wait to have more.

We believe that all leaders must
have a deep passion for riding,
and a very positive attitude. This
will help build EWMA into what
we are all looking for as an
organization.

We all have a vision on where we
should go and what we should see
and do. We encourage you
to share those vision with us,

your chapter directors, your
district director and your region
director so we all have more and
more fun as we grow.

Take the time to volunteer and
help your chapter, the more we
work together the more we have
fun!

What's in it for you?

Riding a motorcycle or being a co-
rider, it's the freedom, the
adventure , the beauty of what we
see and feel.

Why EWMA—it's the friendship
we make (internationally) the joy
of having like minded friends and
being able to share our adventure
with them.

That is what's in in for all of us.

Now, it's that time of the year
that most of us, a little more

north, are in our winter weather
and are sitting around looking at
our motorcycles dreaming about
things we have done, places we
went to, and the places yet to
visit. Please take the time to
share your ideas for the new
riding season.

And for those of you who are
lucky to still have nice riding
weather, be safe and ride a few
miles for us!

Take a journey, soar like an
eagle, there are so many roads to
explore, so little time.”
